Dear Bettina,

Re: **DVH ROADSHOW**

Thank you for your kind e-mail dated the 24<sup>th</sup> February 2012. My daughter's athletics went very well.

You can rest assured that you have certainly pulled your weight as we have also received extremely positive feedback regarding your various talks.

I certainly would recommend you to other organisations and confirm that the feedback was excellent.

I also look forward to discussing further options with you. I am looking at doing further roadshows during the second of week May 2012.

Thank you for getting in touch with me and thank you for everything you did to make our roadshows a success.

Yours faithfully
